

EVENT PLANNER FOR INDIA WATER WEEK 2017 [THEME: WATER AND ENERGY FOR INCLUSIVE GROWTH]

Date (Venue)	Hall No.	Morning Sessions from 10.00 to 13.00 Hrs. with Tea Break from 11.15 to 11.30 Hrs. (on 11 th Oct., 2017, Session will Start at 09.30 Hrs.)	Afternoon Sessions from 14.00 to 17.00 Hrs. with Tea Break from 15.15 to 15.30 Hrs.		
Day 1 Oct. 10, 2017 (Vigyan Bhawan)		Inauguration by HE President of India (09.30 to 10.30 Hrs.) High Tea (10:30 to 11:00 Hrs.) Plenary Session (11:00-13:00 Hrs.) (i) Pivotal Role of Sustainable Development and Efficient Management of Water in Inclusive Growth-Dr. Kirit Parikh (ii) Energy and Water – Prof. Y.K. Alagh (iii) “India and European Union partnership to address water challenges- Ms. Astrid Schomaker, (iv) Address - Ms. Elaine Alwayn, Netherlands (v) Invitation for 8 th World Water Forum, Brazil 2018 – Mr. Pedro Ivo Ferraz da Silva			
Day 2 Oct. 11, 2017 (Vigyan Bhawan)	6	PD-1: Addressing the Water-Food-Energy nexus sustainable development and inclusive growth	Inauguration of Exhibition by Hon’ble Minister at 11.00 Hrs. at Indira Gandhi National Centre for the Arts near Vigyan Bhawan		
	5	SS-3: Technology Solutions for the water-energy nexus (European Union)			
	2&3	PD-5: Silt Management Strategies for alluvial rivers			
	1				
	4	SS-1: The Integrated approach to Water Management: Dutch experiences - (Netherlands)			
Day 3 Oct. 12, 2017 (Vigyan Bhawan)	6	S-2: Agriculture and Water	S-7: Hydropower – Clean Power		
	5	S-8: Renewable Energy Source and Energy Security	SS-2: India-EU Water Forum : Jointly adapting European lessons for Indian rivers (European Union)		
	2&3	PD-7: Interlinking of Rivers	PD-3: Integrated Planning of Water Resources for Optimal Benefits to the Society		
	1	PD-10: Preparation for Impacts of Climate Change	PD-6: Industrial Water Needs and Wastewater – Issues and Solutions		
	4	SS-4: Cleaning the River Ganga – From Data to Action (European Union)	S-3: Water and Economic Growth		
Day 4 Oct. 13, 2017 (Vigyan Bhawan)	6	S-1: Role of Water and Energy in Rural Transformation	S-5: Hydrological Modelling for Planning and Operation for Water Resources System		
	5	S-6: Water Informatics	PD-13: Role of multiple stakeholders partnership (PPP) in urban water management- (Water Digest)		
	2&3	PD-9: Drought Management for Social Security	BS-1 Water Use Efficiency Challenges and Way Forward		
	1	PD-12: New Technologies and Approaches for Flood Forecasting and Management	PD-2: Smart Cities – Managing Water Issues		
	4	BS-2: Informed dialogue is key to collaborative development of water resources	SS-5: Opportunities for Industrial R&D cooperation in Water Technologies-India - Spain Partnership Session- (Dept of Science and Technology)		
Day 5 Oct. 14, 2017 (Vigyan Bhawan)	6	PD-14: Innovations, Applications and Efficiencies of waste water treatment technologies - (Water Digest)	S-4: Safe Drinking Water for All		
	5	S-10: Water, Sanitation and Health	S-9: Water – From Conflicts to Cooperation		
	2&3	PD-11: Role of Women and Youth in Water Security and inclusive growth – IWP	S-11: Wisely Managing the Precious Ground Water		
	1	PD-4: Asset Management for Safety and Optimal Benefits from water Resources Structures	SE-2: Special Lecture on Water for Environment-by Dr. B.P. Das		
	4	PD-8: Pradhan Mantri Krishi Sinchayee Yojana (PMKSY)	SE-1: Ensuring Last Mile Delivery through CADWM Programme – by Y.D. Sharma		
		Finalization of Recommendations (Office Rooms, IInd Floor)	VALEDICTORY SESSION		
S: Seminar (11)		BS: Brainstorming Session (2)	PD: Panel Discussion (14)	SE: Side Event (2)	SS: Special Session (5)

LUNCH BREAK (13:00 Hrs – 14:00 Hrs)
